GUIDELINES FOR THE TOOL

2 entry levels

Filters
The data will adapt according to the filters selected

The screenshot shows the web interface of the Decoding Global Talent Data Tool. A red box highlights the top navigation bar containing the BCG logo, the tool name, and two main menu items: "Country profile & candidates in your country" and "Candidates willing to move to your country". Another red box highlights the left sidebar, which contains a list of filters categorized into Demographic Information, International Information, and Employment Information. A third red box highlights the main content area, which features a "Countries" section with a world map. A fourth red box highlights the bottom right corner, containing three buttons: "Start over", "Refresh", and "Show report".

Buttons
Don't forget to update your data by clicking on « Refresh ». Get a more readable version by clicking on « Show report ».

GUIDELINES FOR THE TOOL

- ✓ Select the country > ex. Belgium (either from the map or the country list)
- ✓ Select the filters you want to apply to the data
- ✓ Click on REFRESH to get the preview
- ✓ Click on SHOW REPORT to get the readable and extractable report, that can be downloaded as a PDF

The screenshot displays the 'Decoding Global Talent Data Tool' interface. The left sidebar contains filters for Age (21-30, 31-40, 41-50, 51-60, 61+), Gender (Female, Male, Other, Prefer not to say), Marital status (Divorced, In a relationship/domestic partnership, Married, Single, Widowed), and Level of education (Doctorate/PhD/MD, Master/Diploma, Bachelor). The main area features a world map with Belgium highlighted and a 'Candidates willingness to move to your country' section. The right sidebar shows a 'Preview of report for Belgium' with a bar chart for Age and a donut chart for Gender.

Age Group	Percentage
Age 20 or younger	2%
Age 21-30	38%
Age 31-40	29.6%
Age 41-50	17.6%
Age 51-60	10.1%
Age 61+	2.7%

Gender	Percentage
Female	43.6%
Male	54.6%
Other	0.2%
Prefer not to say	1.5%

GUIDELINES FOR THE TOOL

- ✓ For readable reports, we advise you to click on “Show Report” where you will be able to generate a PDF
